Classic Bike Meters

Dear customer,

Below are the shipping instructions for your instruments:

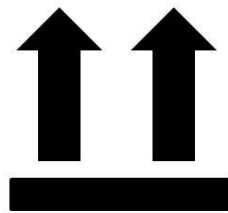

(Contact me first before shipping!!)

Wrap your gauges without lighting (harness) and mounting equipment, separately with bubble wrap. And then place them with their dial facing upwards in a sturdy box. Pack the instruments in such a way that they cannot slide or rattle in the box. Fill in the attached Form below, and put it in the box. Close the box with packaging tape and for see these markers/arrows (This side up) and warning signs (fragile/ do not drop):

FRAGILE

- HANDLE WITH CARE
- DON'T STACK OR DROP
- KEEP DRY

FRAGILE

- HANDLE WITH CARE
- DON'T STACK OR DROP
- KEEP DRY

You can send your instruments to:

Classic Bike Meters
Beemdgras 19
3893HN Zeewolde
Netherlands

Best regards,

Patrick Lippinkhof
